Suicidal: Why We Kill Ourselves, Bering - press.uchicago.edu "Suicide is one of the toughest subjects to write about, and psychologist Jesse Bering does it with candor, scientific integrity and genuine empathy in Suicidal. . . . The book itself is a testament to the human spirit. Researching and writing the book, he says, was a way to combat suicidal ideation and give his own life a renewed sense of purpose. Suicidal: Why We Kill Ourselves by Jesse Bering Suicidal: Why We Kill Ourselves by Jesse Bering is a study of suicide and with explanations and theories. Bering is an award-winning science writer specializing in evolutionary psychology and human behavior. Suicidal: Why We Kill Ourselves by Jesse Bering "Bering carefully balances his natural whimsy and avid curiosity with deep compassion in this look at how suicidal urges work. He is disarmingly frank in disclosing his own identity as "that everyday person dealing with suicidal thoughts," which "flare up like a sore tooth."

Why we choose suicide | Mark Henick | TEDxToronto The fifth annual TEDxToronto conference took place on September 26, 2013 at The Royal Conservatory of Music. For our 2013 TEDxToronto Conference, all talks. Suicidal: Why We Kill Ourselves: Jesse Bering ... Suicide, Bering makes clear, is a complicated topic but the more we know about it, the better we are at identifying those that are suicidal. Witty, engaging, and informative, "Suicidal" is for all those concerned about suicide. Suicidal: Why We Kill Ourselves | Washington Independent ... Suicidal excels at extracting this type of juicy, intriguing detail from a range of fields and artifacts. I learned that, as a profession, veterinarians experience one of the highest rates of suicide. That the bumblebee, when infected by a parasite called a conopid fly, which implants its young inside the victim, abandons its colony to die alone, thus saving its non-infected kin.

Understanding Suicide - Why We Don't and How We Might Klappentext zu "Understanding Suicide - Why We Don't and How We Might" A provocative look at research and practice in suicide prevention - a "must read" for all concerned. Suicidal : why we kill ourselves (Book, 2018) [WorldCat.org] In Suicidal, Bering takes us through the science and psychology of suicide, revealing its cognitive secrets and the subtle tricks our minds play on us when we're easy emotional prey. The Six Reasons People Attempt Suicide | Psychology Today Surely we need to understand better why people want to kill themselves, but let us not blather about all suicidal people being out of their heads, as this is unsubstantiated by ANY evidence.

A Hidden Reason for Suicidal Thoughts | WHY WE SUFFER Suicidal thoughts are quite common, and even people living good lives can experience them now and then. For many, suicidal thoughts are fleeting considerations, following which they bounce back to their everyday sense of self.
