Clockmaker - Wikipedia Originally, clockmakers were master craftsmen who designed and built clocks by hand. Since modern clockmakers are required to repair antique, handmade or one-of-a-kind clocks for which parts are not available, they must have some of the design and fabrication abilities of the original craftsmen. A qualified clockmaker can typically design and make a missing piece for a clock without access to the original component. The Clockmaker's Daughter by Kate Morton The Clockmaker's Daughter is her sixth novel. How it works. The book will be delivered in 11 instalments (or staves), with one every day, but two on the first day for those of you who have already started reading on The Pool.
